3  Book your health service and register your details for reminders & GP reports.

4  You will receive text & email reminders 3 days & 1 day before your appointment.

On the day

-  Preventive exams, also called routine physical exams or checkups, are one of the best ways to detect and prevent most illnesses.
-  The children's exam **does not** need blood tests.
-  Arrive 10 min early to complete Patient file.
-  Check with the P4P coordinator if you are not sure what will be covered by P4P.
-  In a small number of cases, approved P4P services need to be paid for directly by the participant. The P4P coordinator will confirm reimbursable services to you and on receipt of a completed reimbursement form & receipt, the P4P coordinator will arrange payment to you within 3 days.
